

## Magnetic Insert

### Most efficient way to remove metal chip in your machinery process

- Made of rare earth permanent magnetic
- High Capacity of magnetic field in Gauss: 4000GS, 9000GS, 12000GS
- Reliable system and easy cleaning
- Maintenance free
- Standard size: #01, #02

Note: Magnetic strength will be weakened if used in operating temperature of > 150 deg C for a long period of time.
